SSC Result 2019 Publication Date

The 2 million students who took the Secondary School Certificate (SSC) and comparable examinations this year may get their results in the primary seven day of May.

Between Education Board Coordination Sub-Committee President Prof Muhammad Ziaul haq said that it had sent a proposition to the Ministry of Education to distribute the results that week.

"We have sent a proposition," he told bdnews24.com on Monday. "The service will finish the date with the head administrator's endorsement."

An authority at the education service told bdnews24.com that a warning had been sent to the head administrator proposing the arrival of the results between May 3 and May 7.

"The last date for the SSC results might be determined to Thursday, May 3 or May 6 or May 7. The results will be distributed on a day the head administrator has time in her timetable."

Generally the Education Minister and the executives of the education boards exhibit a rundown of the results to the leader on a set date.

The education serve at that point holds a public interview at the Secretariat featuring different parts of the results. The examinees can check their results following the finish of the education pastor's public interview.

The SSC and proportionate hypothesis exams were held between Feb 1 and Feb 25, while the

pragmatic exams were held from Feb 26 to Mar 4.

This year 2,031,889 students gave their SSC and proportionate exams at 3,412 examination focuses.

In the previous couple of years the results for the SSC and HSC exams have been discharged inside 60 days of the finish of the hypothesis exams.
